The State of Florida Weight Management Program, launched six years ago, has consistently championed the well-being of its employees. Our enhanced focus now includes specialized services in the management and application of weight-loss medications. Our experienced team ensures safe and effective drug management strategies, providing you with a comprehensive approach to weight management.

### CDR Health, A TMG Practice: Our Commitment

Under the leadership of Drs. Cody and Hugh Vanlandingham, we have helped over 100 clients lose an average of 4-8 lbs. per month with our current weight-loss program.

**Our thorough health and wellness approach ensures that weight loss is both successful and sustainable.**

### What Will You Receive From Us?

- ✔ **Expert Weight-Loss Guidance:** Safe and effective.
- ✔ **Top-Notch Customer Care:** Continuous support.
- ✔ **Monthly Medical Reviews:** Prescription and progress checks.

### Contact Us!

Whether you want to book an appointment or learn more, we're here for you!
