MEMORANDUM HR03-2026

To: Agency Administrators
From: Andy Snuggs, Director of Human Resources
Subject: NEW: Introducing myBenefitsFlorida app
Date: June 8, 2026

The following information is from the Department of State Group Insurance. They are working with Medefy for the following:

Introducing myBenefitsFlorida, your new go-to benefits app!

Team, we are thrilled to introduce your brand-new employee benefit: the myBenefitsFlorida app, your one-stop resource to find care, compare costs, and connect with a personal Care Guide anytime, 24/7!

Get started in 3 easy steps:

1. Download the myBenefitsFlorida app from the App Store or Google Play
2. Create your account and complete your profile
3. Message a Care Guide to get help with upcoming care, finding providers, or comparing costs

And here's the best part: you could earn cash rewards!

When you choose a lower-cost location for surgeries, scans, or procedures, you can earn real cash rewards deposited directly into your health account, with opportunities to earn up to \$6,000 back.

One quick message to a Care Guide before you book is all it takes. In the app your Care Guide will show you:

- Where you can receive quality care at a better price;
- Which options could earn you a cash reward on top of the savings; and
- Answer questions about your benefits and coverage
