## General Principles Governing Travel

- Travel activities for state employees should be limited to those that are “critical to the mission” of the state agency
- Many offices have elected to provide a “Mission Critical Travel Memo” signed by the agency head which outlines in detail the types of travel deemed “mission critical”.
- This memo is kept on file at JAC and DFS. This is one method to document critical travel activities for an agency

11

## General Principles Governing Travel

- It is generally expected that the most economical means of transportation and the most direct route should be used when traveling on state business
- However, there are instances when this is not required

12

## General Principles Governing Travel - \$150 Room Rate

- \$150 room rate limitation –when does it apply?
  - Meetings, conferences, or conventions **organized by your office**
    - Your office has “control” over booking/choosing the room
    - Recruitment activities
    - Other operational-type meetings

13

## General Principles Governing Travel - \$150 Room Rate

- \$150 room rate limitation – **exemptions**
  - Officers’ travel (appointed or elected officials\*)
  - Attending a conference **not organized by your office**
  - Investigation activities
  - Litigation activities
  - Law enforcement activities
  - Non-employees (e.g. witnesses)

\*Officer or public officer—An individual who in the performance of his or her official duties is vested by law with sovereign powers of government and who is either elected by the people, or commissioned by the Governor and has jurisdiction extending throughout the state, or any person lawfully serving instead of either of the foregoing two classes of individuals as initial designee or successor (s.112.061, F.S.)

14

## General Principles Governing Travel

- If a trip for any traveler is less than 24 hours and there is no overnight stay, the traveler **MAY NOT be paid for meals**. He or she may be paid for mileage or other incidental expenses such as fuel, tolls, parking fees, etc., but not for **meals**
- This is considered “Class C” travel and is not permitted except in very specific circumstances, that is, when travelers are working in an emergency/disaster situation, when a state of emergency has been declared by the Governor (see RGSE)

15

## General Principles Governing Travel

- When traveling by common carrier (airline, train, car rental) agency employees should use a state term contract if one is available for the common carrier
- Enterprise/National is the state term contractor for renting vehicles and should be utilized if a car rental is needed when traveling on state business

16

## General Principles Governing Travel

- When submitting a Voucher Schedule for Reimbursement of Travel Expenses (travel voucher), the travel voucher should tell the “whole story” of the travel and should be accompanied by all receipts and other relevant documentation related to the trip(s)

17

## General Principles Governing Travel

- When filling out the Voucher for Reimbursement of Travel Expenses, each day of the trip should have its own separate line
- Each line should reflect relevant information for that day so that eligible costs can be determined

18

## Travel Expenses - General Information

“Expenditures properly chargeable to travel include registration payments, reimbursements of mileage for privately-owned vehicle, per diem and subsistence allowance, common carrier transportation, and other expenses incidental to travel which are authorized by state law. Section 112.061, F.S., and Rule 69I-42, F.A.C., govern travel expenses.”

[Source: *Reference Guide for State Expenditures (RefGuide)*, page 49, updated February 2011, DFS]

## Travel Expenses - General Information

- Traveler – A public officer, public employee, or authorized person, when performing authorized travel [s. 112.061 (2)(f), F.S.]

  - Witnesses, experts, and others authorized by agency head

## Travel Expenses - General Information

- All travel must be authorized and approved by the agency head or his or her designee [s. 112.061(3)(a), F.S.]
  - Travel forms (authorization or voucher) provide approvals
- The traveler's supervisor should provide a signed statement that the traveler is on official business of the state [s. 112.061(3)(a), F.S.]
  - Travel voucher & supporting documentation will fulfill this requirement
- Travel expenses of travelers shall be limited to those expenses necessarily incurred by them in the performance of a public purpose authorized by law to be performed by the agency [s. 112.061(3)(c), F.S.]

21

## Travel Expenses - Point of Origin/Official Headquarters

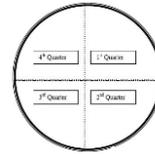

- Official Headquarters – the city or town to which the person is assigned or the majority of work is located [s. 112.061(4), F.S.]

- Point of Origin – the geographic location of a traveler's official headquarters or the geographic location where travel begins, whichever is lesser distance from the destination (RefGuide, p. 10)
- Employees' and state officials' travel expenses are generally calculated using the point of origin

22

## Travel Expenses - Computing Travel Times

- Computation of travel time is based on a 24 hour clock and quarterly intervals within the 24 hour period (RefGuide, p. 56)
  - Class A Travel - continuous travel of 24 hours or more away from official headquarters. The travel day for Class A is based on a calendar day (midnight to midnight)
  - Class B Travel - continuous travel of less than 24 hours which involves overnight absence away from official headquarters. The travel day for Class B travel begins at the same time as the travel period
  - Class C Travel - short or day trips in which the traveler is not away from his/her official headquarters overnight. *Class C travel payments are NOT authorized to be paid at this time.*

23

## Travel Expenses - Subsistence/Meals

- Travelers may be reimbursed subsistence/meal allowances (class A & B only) at the rates of:
  - *Breakfast - \$6.00 (When travel begins before 6 a.m. and extends beyond 8 a.m.)*
  - *Lunch - \$11.00 (When travel begins before 12 noon and extends beyond 2 p.m.)*
  - *Dinner - \$19.00 (When travel begins before 6 p.m. and extends beyond 8 p.m. or when travel occurs during nighttime hours due to special assignment.)*

Please note: meals provided with conference registration fees may be deducted from subsistence allowances to travelers

Source: s. 112.061(6)(b), F.S.

24

## Travel Expenses - Per Diem or Expenses and Subsistence

- Per Diem – “By the day” is defined as a daily allowance usually for living expenses while traveling in connection with one’s work (Source: Dictionary.com)
- Rate for per diem is \$80.00 per day [s. 112.061(6)(a)(1), F.S.]
- Within a 24 hour period a traveler’s reimbursement is calculated via **one** of the following methods (RefGuide, p. 57):
  - A. Per diem of \$80.00/day (\$20.00/quarter day) **OR**
  - B. Actual expenses for hotel, transportation, etc. and subsistence/meal allowance

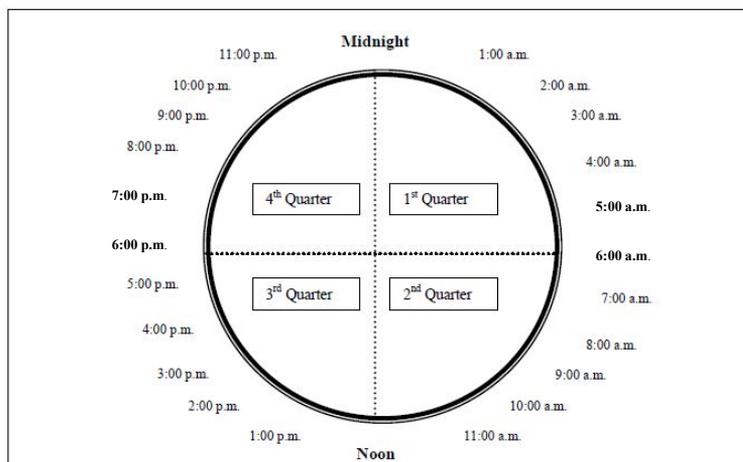

25

## Travel Expenses - Computing Travel Times

Per Diem Clock

## Travel Expenses - Transportation

- Traveler should use the most direct route
- Agency head should designate the most efficient and economical method of transportation while considering:
  - Nature of business
  - Number of persons traveling
  - Time of traveler(s)
  - Subsistence that may be required

(RefGuide, p. 57)

27

## Travel Expenses - Transportation

- Common carrier - train, bus, commercial airline operating scheduled flights, or rental car of an established rental car firm (RefGuide, p. 8)
  - State term contracts should be used (e.g. Enterprise)
  - Justification may be required when not using an available state term contract
- Privately owned vehicles – may be used for official state travel at the discretion of the agency head (RefGuide, p. 59-60)
  - Traveler may receive a mileage allowance of 44.5 cents/mile (certain conditions affect reimbursements; see RefGuide)

28

- Advances may be made or authorized by an agency head (or his or her designee) to the traveler to cover anticipated costs of travel (RefGuide, p. 60)
  - 80% of estimated travel reimbursement
  - Advance may be made 10 business days or less prior to travel occurring
  - Subsistence/meal allowances
  - Other out-of-pocket travel expenses anticipated
